ADVENTIST CHURCH

**On April 17-21, 2017, hundreds of Adventists across New Zealand will open their homes and reach out to the community.**

Join the Open Home movement by opening your home to non-Adventists families, friends, neighbours or colleagues for a meal, spend a few hours in social enjoyment. It's about making new friends in your community—simple, easy and effective evangelism anyone can do here and now.

## STEPS TO BE A PART OF THE OPEN HOME MOVEMENT:

Think of a friend, neighbour, colleague to invite over for dinner.

Pray for God to open their hearts for deeper friendship and spiritual interest.

Invite them over for dinner.

Enjoy a social meal together.

Invite again: before they leave invite them again, or organise another activity to do together (example: sport / watch a Christian movie / hiking / fishing, etc).
