

WORLD CHANGER BOOKMARK BIBLE STUDY

Welcome to the World Changer Bookmark Bible Studies (WCBBS). There are 28 separate Bookmarks in this Bible Study Series and they are a basic introduction to the main themes and truths of Scripture. As it says in Psalm 119:105 "Your word is a lamp to my feet and a light to my path." Our prayer is that you will enjoy discovering the truths about Jesus, His love for you and the people you will share these Bookmark Bible Studies with. This set of WCBBS will encourage you to interact first with the Word and then with each other.

Each WCBBS is made up of four (4) parts;

1. The title of the Bible Study and a brief introduction about the topic to be studied.

2. Key Bible verse/s (please note that the page number is in brackets for the Bible reference) for you to look up and to relfect on. The Bible verses are followed by a brief statement or question to support your dialogue and exploration of the Word.

3. A couple of focussed Discussion Questions

4. One Commitment Question

Before you lead out in the Bible Study please try and read through all the verses given on the World Changer Bookmark Bible Sutdy so that you are informed about the topic, however when you are conducting the Bible Study, do not feel obligated to use all the Bible references. Stick to the timeframe!

For some extra help you may wish to look at the front of your World Changers Bible in the Discipleship chapter entitled "Starting out in the Word" Most importantly you must, take the time to pray for the Holy Spirit to enlighten your mind and to share the Bible study journey with you. There are specific questions supplied for the Bible Study on each Bookmark, however feel free to use the reflection questions below to check for understanding as you lead out.

Reflection Questions during the Bible Study

After reading the Bible verses you may want to ask the question, "What do you think the Bible is saying here?" or you could check for understanding by asking "What message do you get from the Word?" Remember that this is an opportunity for your interest to share what they think, based on what the Bible states.
