Dinner with Jesus

REVELATION 3:20

Join a movement of people who desire to develop a closer relationship with Jesus. You are invited to accept His amazing invitation in Revelation 3:20. Jesus is knocking at your heart and longs for you to open the door to a deeper relationship with Him. This movement seeks to know Jesus intimately, personally, passionately and experientially as expressed in John 17:3 and Philippians 3:8.

You are invited to join many others by committing to a 40 day journey where each day you put individual quality* time aside to solely spend it with Jesus.

What is *Dinner with Jesus*?

Time – (unrushed – unstructured – uninterrupted)

- Focus on being fully present with Jesus
- Be honest with where you are at and what is on your heart
- Learn how to surrender everyday your wants, needs, desires and dreams in response to God's amazing love for you

Where can I have *Dinner with Jesus*?

Anywhere! It can be in your bedroom, in your lounge room, in your car, in your office, in a café! Find a place and time that allows you to give God your full attention. Somewhere that also enables you to hear Him speaking words of life and love leading you to total submission.

Can I enjoy *Dinner with Jesus* with my friends?

- Of course you can! Remember that while we can be encouraged by others we also need to learn the value of one on one time with our Maker. Jesus craves time with you and as you journey with Him you will also begin to crave the same of Him.
- It can be a good idea to ask a friend to be your accountability partner who will share this journey with you. It helps those people who experience their spiritual life more fully in a group. On the other hand, you can't replace this time with any other activities like a small group or time with your accountability partner.

When does this 40-day journey start?

- Right now! There will always appear to be more time tomorrow however part of this journey is learning and committing to making the time today.
- There is no church-wide start date for this event. God is already waiting for you to dine with Him so, start today.
- There is no specific theology behind the 40 day period and you do not have to stop when your forty days are over. This is a life long journey where we have the privilege of walking hand in hand with Jesus everyday, for eternity!

* quality is defined by *Time* spent when you are being *Honest* (real) with Jesus and *Submit* (surrender/give everything) to Him in a mutual/reciprocal, loving relationship.
