Snapshot of Honour

Having achieved the honour in Drill and Marching, you are looking forward to advancing your skills in this fun activity.

This will lead you to inspire others by being able to perform more advanced drill and marching manoeuvres such as being part of, or commanding, a colour party to raise and lower the National Flag. Also, you will motivate young people, when marching, by being able to give commands on the correct foot as well as having the ability to always being in step with the music.

You will be able to provide dignity to functions by being able to march in slow time.
